PUBLIC NOTICE

Objections / Comments invited from various stakeholders on the Petition submitted by JBVNL seeking approval of the Commission on Principal PPA dated 28.09.2012 and Supplementary PPA dated 06.11.2017 signed between JBVNL and Adhunik Power and Natural Resources Limited (APNRL)

M/s Adhunik Power and Natural Resources Limited (APNRL) had signed a MoU with Govt. of Jharkhand on 31.10.2005 for supplying power from the 2 x 540 MW thermal power station at Saraikela-Kharswan, Jharkhand. As per the MoU, the Govt. of Jharkhand or distribution licensees authorized by it will have the first right of claim of purchase up to 25% of net contracted capacity i.e. 122.85 MW (25% of 491.4 MW i.e. gross capacity less normative auxiliary consumption) from Stage 1 of the project. Out of the 122.85 MW, 63.882 MW i.e. 13% of total net capacity shall be as per the tariff determined by JSERC and the balance 58.968 MW i.e. 12% of total net capacity at variable costs. The principal PPA was signed between the parties on 28.09.2012. For delivery of contracted power, dedicated transmission system (DTS) was to be developed within two years. However, the same has been delayed.

Pursuant to the principal PPA, APNRL and JBVNL entered into a supplementary PPA on 06.11.2017 for additional purchase of 66 MW of power as per National Tariff Policy, 2016 clause 5.2. The rate of this 66 MW power, as mutually agreed will be the levellised tariff of purchase of 122.85 MW. Levellised tariff is the weighted average of 12% and 13% power procured under existing agreement dated 28.09.2012.

JBVNL has filed a petition before the Commission for seeking approval of the PPA(s) dated 28.09.2012 & dated 06.11.2017, signed by it with APNRL.

Comments/Suggestions from stakeholders

1. The Commission has directed JBVNL to invite comments/suggestions from the public on the above Petition for seeking approval of the PPA(s) dated 28.09.2012 & dated 06.11.2017 through this Notice.
