Office Order No. ....372...../  
File no: GM (Coml0/3140/2024

Dated ...19-06-2024/

**Sub: The waiver of feasibility study / feasibility approval for installations of rooftop solar system upto 10 KW capacity**

The feasibility study (approval) for installations of rooftop solar system upto 10 KW capacity has been waived of by MoP, GoI vide Gazette Notification No. 114 dtd. 22.02.2024 called Electricity (Rights of Consumers) Amendment Rules 2024.

The extract of the amendment in Rule 11 (7A) is reproduced as below:-

**“The application for rooftop solar photo voltaic systems upto 10kW capacity, complete in all respects shall be deemed to have been accepted without requiring technical feasibility study and any commensurate enhancement of the sanctioned load of the consumer, as may be required, shall be carried out by the distribution licensees.”**

Therefore, in supersession to the instructions issued vide this office letter No. 677 dtd. 01.06.2016 and subsequent letter No. 451 dtd. 12.04.2024, the feasibility approval shall be issued for the rooftop solar installations upto 10 KW without conducting field inspection.

The other contents mentioned in the Guidelines & Regulations remains unaltered and shall be strictly adhered to.

This has got approval of MD, JBVNL.
